FEED A FRIEND FOR A FIVER

Give the greatest gift this Christmas.

Just £5 will provide a hot meal with all the trimmings; food, friendship, and hope for the future.

At Christmas money can become no object. During the season of giving, do something amazing for the most vulnerable people in our local community.

Your donation will provide a hot meal for a Friend of The People's Kitchen, and so much more. It gives those in the greatest need a chance to be part of a family again at Christmas. It's an opportunity for them to share their stories and receive support.

You may not notice £5 once Christmas has been paid for, but those who rely on The People's Kitchen will remember it long after the tinsel has come down.
